No he said he worked in derivatives...I wasn't able to track him down either....that's terrible...he said similar to me he wanted to pay for 3 months, luckily one of my neighbours called the police on him and I think that scared him off and he left after that...wish I could help sounds awful

TRADUCTION

Non, il a dit qu'il travaillait dans les produits dérivés... Je n'ai pas pu le retrouver non plus... c'est terrible... il m'a dit de meme, qu'il voulait payer pendant 3 mois, heureusement, un de mes voisins a appelé la police sur lui et je pense que ça l'a effrayé et il est parti après ça... j aurais aime de vous aider, ça a l'air horrible
